Richard's Reflections

Are you comfortable?

We seem to spend our lives trying to get comfortable. We get married and try to afford a comfortable house. We scrimp and save so we can retire comfortably. And in between those events we seek the most comfortable existence we can find.

I think about that and then I look at the life of Christ. Not born nor raised in much comfort. In His adult ministry – He has not a place to pillow His head. Although living a sinless life He is mocked, ridiculed, falsely accused and beaten. Ultimately, he is nailed to a cross for the sins of the whole world and buried in a borrowed tomb. Sound comfortable?

We are His disciples, that is we are to learn from Him and follow Him. So should our first priority always be our own comfort? Now I'm not saying and more importantly the Bible doesn't teach that we have to become paupers or go live in a monastery to be disciples of Christ. However, our first thought should not be our own comfort or preference.

One of the phrases that has cropped up in church the past few years is "comfort zone". It's usually used contextually like this: Someone suggests something that may go contrary to one of our traditions (not Scripture – just tradition) and the respondent says, "I don't like that – that's out of my comfort zone." Now notice he/she didn't say that's unscriptural or ungodly just "out of my comfort zone".

I pray that one of the things we all try to do in this new year is see things for the betterment of the entire church (or family) and not just what's best for me. I believe if we all adhere to such an attitude - 2017 may very well be the best year in the history of the Westwood church.

Remember Paul's admonition in **Philippians 2:3**, "*Do nothing from selfish ambition or conceit, but in humility count others more significant than yourselves.*"

God is Good All the Time!
Richard

Brett's Broadcast

Why are students leaving the church???

Last week I attended a youth ministry conference where they shared some very interesting statistics. I learned that research shows that **80% of high school graduates** leave the church once they go off to college. Typically the church has responded to this statistic with the question of why are 80% leaving, but this study wanted to examine why 20% are staying. Here are the **top 3 reasons** found for why 20% of students were staying in church:

#3 They attended a church where the bible was taught in a relevant way.

#2 They had 3-4 adults walking in their life **OTHER** than a parent.

#1 They had a mom and a dad or a mom **OR** a dad who was passionate about their own relationship with Jesus.

The research also showed that 94% of those who were identified as **MATURE CHRISTIAN ADULTS** reported they had parents who made sure they were surrounded by and connected to 3-4 other adults.

This research has really challenged me to become more intentional about involving adults in our youth ministry. If we want our teenagers to experience life transformation and develop a true relationship with Jesus they need multiple adults investing in their lives showing them they care.

On the Lighter Side...

Quite a Pickle

My three-year-old daughter stuck out her hand and said, "Look at the fly I killed, Mommy." Since she was eating a juicy pickle at the time, I thrust her contaminated hands under the faucet and washed them with antibacterial soap. After sitting her down to finish her pickle, I asked, with a touch of awe, "How did you kill that fly all by yourself?" Between bites, she said, "I hit it with my pickle."
