Richard's Reflections

Great Time to be a Member at Westwood

I cannot tell you how excited I am about the great things God is doing at Westwood. The Spirit of God is truly working in the lives, hearts and minds of this body of believers and the signs are evident...

Our **Life Groups** kicked off last Sunday and we had record numbers in our groups. 238 souls met to study God's word, pray together and become closer together with God and each other! I implore you to consider getting involved in a Life Group today! Check the lists on the bulletin boards upstairs and down. If you have any questions... ASK! Ask Terry Boyd or Tim Deason. Ask one of our elders. Ask a friend, the person next to you or me...and we'll help get you where you need to go.

As I write this on Thursday morning, the classroom next to me is filled with ladies who are dedicated to learning more about the Bible. I'm so thankful for this group and their desire to be closer to God. Last week there were 38 present. Kim is studying and praying diligently for the class to be a success and I'm grateful for her in so many ways! Thursday mornings at 9:00 a.m. Westwood is the place to be for **Ladies Bible study**.

Today we start sign-ups for our new **Pictorial Directory**. This directory is such an important tool for us to use to get more familiar with each other as a church family. Please sign up at one of the tables or sign up online via our church website. We are looking for 100% participation!

Starting on Wednesday Night February 1st, I will be teaching a class on **Enriching our Marriages**. The class will run for the four Wednesday nights in February. I'm looking forward to our time together and I hope you will be a part of it. This class will be for marriages at any stage, for those considering marriage or for those who simply want to encourage others in their marriage.

God is very active among us right now – let's give Him thanks for His goodness!

God is Good All the Time!

Richard

Brett's Broadcast

MnM

I want to thank all of those who came to our MnM Bible study last week. We had 22 students and parents at our house and we had a great time eating together and then studying 1 John 1. I'm thankful to have students and parents who would take time out of their weeks to stop and study God's word together.

HUDDLES

We have also started a new program on Wednesday nights for our students called HUDDLES. HUDDLES are small groups for our students which are led by various "coaches" (adult volunteers). This past week was our first week of HUDDLES and it was a huge success. We had 38 people involved including students and coaches. I really look forward to this program helping to develop some meaningful relationships between students and adults at Westwood.

Winterfest

Winterfest applications are due today (Jan. 22nd). The dates for Winterfest are February 17-19. If you have any questions about Winterfest just let me know.

On the Lighter Side...

One Chicken, Two Chicken

Mrs. Jones goes to the butcher shop to buy a chicken for Sunday dinner. The butcher has only one scrawny chicken left. He puts it on the scale. "Three pounds," he says. "That's too scrawny; don't you have something bigger?" asks Mrs. Jones. The butcher pretends to rummage around, and then puts the same chicken back on the scale, while pressing with his thumb. "Three and a half pounds." he says. "That looks better," says Mrs. Jones. "I'll take them both."
