Richard's Reflections

Great Times!

From my perspective it just seems like a great time to be part of the Westwood church family!

Last Sunday we had a great day as we appointed three new shepherds and honored all seven and their wives. Adding Tim, Glenn and Terry will be good for the future of this church!

Our Life Groups are accomplishing everything they are meant to achieve. There is great study, fellowship, encouragement, sharing, compassion, prayer and evangelism happening each Sunday in these groups. The number of our church family taking part is awesome as well. If you are not taking advantage of Life Groups - please let me encourage you to simply "come and see". Check the lists of groups posted around the church building. Attend a group and just see for yourself - I sincerely believe you'll be glad you did.

Brett is doing a great job with our youth group. More than fifty attended Winterfest this year and typically you'll find more than fifty meeting in the youth room every Wednesday night for Bible study, prayer and enrichment. We have a great group of young people here at Westwood. Many thanks to Brett and Melissa for their guidance and leadership.

Maybe you've been attending with us and wish to become a member here at Westwood. Just stop me or one of the shepherds or the person sitting next to you and we'll be glad to help you do just that! We exist as a church to help people find Jesus!

God is "on the move" here at Westwood and for that we give Him **ALL** the thanks, glory and praise!

God is Good All the Time!

Richard

Brett's Broadcast

Thank You

Thank you to everyone at Westwood for your prayers and kind words during the passing of my grandmother. It is never easy to lose someone in your life, but it is a true blessing to have so many people who have expressed sympathy to my family. Your love and support during tough times is amazing. I'm sorry that I was not able to respond to every text and facebook message, but I read them all and really appreciate each one of them. Thank you for being a church family full of love and compassion.

Anger

This past week in our huddles we spent some time talking about anger. Anger is not a sin by itself (even Jesus got angry), but anger can quickly consume you. Anger is something that I think many of us struggle with, but we have to remember when we get mad that we can easily hurt others. When we get mad we can ruin relationships through harsh words or actions. Make sure this week to not let anger be something that consumes you or hurts you. Even when it's hard, show love.

...COMING SOON...

Eben's Essentials

On Monday night, March 13th, from 6-8 in the old fellowship hall, Linda and I will be facilitating a Parenting Seminar. The first twenty people (singles or couples) who sign the list will be participants. The format will involve video presentations of case studies, which will likely look familiar, along with instruction, and discussion. You are invited to sign up for an interesting and entertaining session.

Albert Einstein was a famous scientist and a Nobel Prize winning physicist. His 1905 theory of relativity has an aspect which postulates that time would pass more slowly if you could travel very, very fast, say at the speed of light. So if you traveled in a space ship at or near that speed while your family stayed on earth, you could conceivably outlive your children and grandchildren.

The Bible in II Peter 3:8, says that with God, a day may be a thousand years, and a thousand years only a day. Apparently, when God created the universe, He also created time. So He evidently, unlike us, exists outside of time. It is possible that what we perceive as past, present and future is simply the *eternal now* to God. This would account for His perfect foreknowledge.

Do you have "time" to ponder this possibility?
