To Live as Christ

Life Group Guide October 15th

Travis Byrd

1. Maturity is a word often thrown at us when we are kids. “You need to be more mature” “Act your age” are phrases you probably heard growing up but what does it mean to be spiritually mature?
2. List some characteristics of a mature Christian life (Philippians 1: v. 9-11).
3. List some factors and issues that keep Christians from standing together as one (v. 15-18). How could this be improved among those in the church in general?
4. “For me to live as Christ and to die is gain” –Philippians 1:21 What has this verse meant for you in your life? What do you think Paul means by this?
5. What is Paul saying when he says “Our Citizenship is in heaven”? How can we remind people of the fact we were not made for this world and that it is not our home?
6. How is it possible to have joy and contentment in the midst of trials? At the core of your being, what is your joy in life tied to (Philippians 4:4)?
7. How do you go about pursuing spiritual growth in your life? How do you overcome spiritual ruts?
8. Growth in the Christian life involves the transformation of the mind (Philippians 4:8). How do you develop a God-honoring thought life? Why is transformation of the mind crucial for progress in spiritual growth?
