Richard's Reflections

Doing Good!

There are many attributes about Jesus that are worth imitating - in fact, all His life is worth imitating. But some may be more memorable than others. His love, humility, sacrifice, servant heart are just a few. And although it is true that we all would like to be remembered by these traits, the one that really sticks out to me is found in Acts 10:38. There, in reference to the life of Jesus, Peter said, Jesus, "went around doing good." I love that! He could have said "he was always right", "he never made a mistake", "he always made great decisions." And that would have been true as well. But he chose to say, "he went around doing good."

I'll be honest with you, I would be satisfied if that is how I am remembered, how about you? I'm not always right, I have and continue to make mistakes, and every decision I make isn't great or close to it...but I can "go around doing good."

I pray each day that is what we, as a church, are being remembered for...doing good.

Thank you for being so generous in our mission effort to help the children in our community have their school supplies. The Bobby Ray Project here at Westwood has been a great success! You have given so much in money, time, and energy to this effort and I couldn't be more proud of this church family!

Thanks for "doing good"!

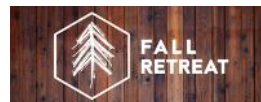

***God is Good
Richard***

Byrd's Eye View

What's coming up?

Life Groups start back August 15th! Get ready to dive into deep conversation with each other about Jesus! Invite someone you know that needs this community.

Fall Retreat! Yes, Fall Retreat is coming! More details will be coming out but go ahead and keep those weekends in October clear!

A note from Travis:

What a great summer! I cannot believe that it is already over. Thank you to all of our students for making this summer great! You went to church camp for the first time, flew to a different country for the first time and made so many other great memories! We want to thank Braden Miller and Rachael Clark for being our interns this summer they were outstanding and we can't thank them enough. I also wanted to thank the Parents for trusting us all summer with your kids. I know that letting them go and do so much can be scary and having your trust means a lot to Karley and I. Now it is time to go back to school and yes, it is sad summer is ending but now we get to go live out what we talked about all summer. Go be the light of Christ! You are about to walk into some dark places be prepared to spread the light of Jesus!

Love, Travis

Eben's Essentials

There is a definite difference between the attitude of the world, which indicates, "sin pays", and the attitude of God that "the wages of sin is death." Many people use the Bible as a source of sound principles for living. It is that and more. It's not just to keep people away from wrong, harmful activity, but also to keep believers from eternal death by grace through faith in and obedience to Jesus.

Grace has been defined as the undeserved love of God for undeserving sinners. When sinners attempt to win God's favor by trying to follow His rules and commandments to the letter, they tend to become demoralized and without a sense of God's personal love. God loves because of His mercy and grace, and earned love is not grace - it's payment due. Outside God's grace in Jesus, sinners receive their self-earned reward - death.

In His life on earth, Jesus did what no one else proved capable of doing - that is, He followed God's rules and commandments to the letter. He then gave His perfect life on the cross as just payment for our imperfect lives. "For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord" (Romans 6:23).
