Richard's Reflections

Serve Well!

"Those who do well as deacons will be rewarded with respect from others and will have increased confidence in their faith in Christ Jesus" (1 Timothy 3:11).

I just wanted to thank all of our deacons for doing such a fantastic job with the worship last week. We are grateful for your willingness to serve in that way and we were blessed by it!

Also big thanks to our deacons for the meal they provided, prepared and served last Sunday. Everything was tremendous! The table decorations looked great and also gave us a glimpse into the lives of our deacons. I know our deacons and their wives and families worked hard to make Deacon's Day a success and that was certainly accomplished—it was in every way...a Great Day!

According to the word of God, deacons are highly qualified, full of wisdom and the Spirit of God and are responsible (Acts 6:1-4). Each deacon should count himself not only blessed to serve but to take that responsibility seriously. When deacons serve well they are rewarded by God and their faith is increased. Acts 6 also tells us that when deacons serve well it allows shepherds and ministers to give "attention to prayer and the ministry of the word" (6:4).

Let's be praying for our deacons and their service to God. We now have 21 deacons serving God at Westwood. Let's be sure to encourage them and cooperate with them in the works for which they are responsible. They will be asking for more help from all of us in the coming days, weeks, and months, so let's be ready, willing and able to serve!!

God is Good

Eben's Essentials

Perhaps the single most important archaeological find ever is the discovery of the Dead Sea Scrolls. These 800 or so scrolls had been stored in caves by the Essenes when the Romans were advancing to crush the Jewish revolt that started in A.D. 66. Jerusalem and the Temple were finally destroyed in A.D. 70. The scrolls were written from about 250 B.C. to about A.D. 65 and were accidentally discovered in 1947. The Essenes were a sect of pious Jews who developed an enclave in the town of Qumran on the northwest side of the Dead Sea. In addition to scrolls relevant to the Qumran sect, a copy of every book of the Old Testament, except Esther, was found.

Of special significance, is the corroboration of the accuracy of the Biblical manuscripts. For example, a scroll of Isaiah written in 150 B.C., was compared to a Masoretic text of Isaiah from A.D. 916 and found to be consistent despite the 1000-year difference. Skeptics have often assumed that the Biblical text has been grossly corrupted through hundreds of years of copying, but the Dead Sea Scrolls have verified that the Old Testament has accurately been handed down through the centuries.

The New Testament, in II Timothy 3:16-17, states, "All Scripture is inspired by God and is profitable for teaching for rebuking, for correcting for training in righteousness, so that the man of God may be complete, equipped for every good work."
