## Richard's Reflections

### Powerful Words, #2

Last week we began looking at different words to describe what Christ has done for us. Our first word was **Redemption**. Redemption, in Christian usage, describes the price paid by Jesus Christ at Calvary to secure the deliverance of His people from the bondage of sin.

Today's word is **Propitiation**. This is not a word that we use very often in everyday conversation. The word means "**to appease**." The concept, then, as relating to the atoning death of Jesus on the cross, means that He died to pay the price for sin. John the apostle wrote that "*God is light and in him is no darkness at all*" (1 John 1:5). God's holiness was offended because of our sin, and such brought about His wrath. Christ "**appeased**" the Father in some sense by suffering the wrath of God Himself in our place (2 Cor. 5:21). Jesus paid the penalty that our sins demanded, and thereby Christ freed us from death. We should recognize that these are realities beyond our comprehension, and we should never think of God's wrath in the way we think of our own reactionary anger.

Take a few minutes this week to think about and thank God for the salvation we have in and because of Jesus!

Next week we'll look at the word: "**adoption**".

**God is Good!**  
**Richard**

## Travis' Teens

We will have a fall calendar meeting today, immediately following Bible Class, in the Teen room! Come find out all the information about our upcoming plans this fall. If you are a parent of a rising 6th grader please attend this meeting! This meeting is for all parents and students who are apart of WYG. We are excited about the Fall of 2019 and we can't wait to share our plans with you!

## Eben's Essentials

What do you think? Is the Old Testament as pertinent to our spiritual growth as the New Testament? What can a Christian learn from the Old Testament? We know that the Bible is a collection of books. The two main divisions are the Old and New Testaments.

There is a rather widespread feeling that a Christian is only to be concerned with the New Testament, that the Old Testament is antiquated and no longer truly relevant. The God of the Old Testament is thought to be a God of anger, justice, and holiness, while the New Testament God focuses on love, mercy, and grace. But, the New Testament itself indicates to us that the same God is revealed both in the Old Testament and the New. In fact, the New Testament stands on the foundation of the Old Testament. However, there is such a thing as "progressive revelation" at work. The New Testament is the culminating and final revelation of God (see Heb. 1:1). The Old Testament is preparation for the coming of the Messiah and Savior and the revelation we receive in the New Testament.

The apostle Paul shed some light on the topic in Romans 15:4, "For whatever was written before was written for our instruction, so that through our endurance and through the encouragement of the Scriptures we may have hope."
